Registrations have opened for MicrostockExpo 2013 to be held on November 16-17th in Berlin.

Bruce Livingstone has been announced as the Keynote speaker at the conference. Bruce was founder of istockphoto and is CEO of the new photographers co-op stocksy. This year's event will feature separate tracks for photographers, illustration and video masterclasses, all tailored for "serious contributors".

Tickets are available now for 249 Euros + VAT (Early bird price before June 1st.). You can register, subscribe for updates as they are announced and find full details on the official website at microstockexpo.com [3]
