

## Microstock Photo on Time Magazine Cover

[Microstock Photo on Time Magazine Cover](#) [1] [Tweet](#) [2]

By Steve Gibson Sun, 2008-06-08 01:13

Someone got good value with this one from dreamstime...

Did Time buy it as microstock or did they license it from somewhere else... and where did that t-shirt go?

I guess the day that microstock images appear on the front of national geographic will be the day that most photographers realise that hell might have frozen over.
